

Rozenbaum, Jean-Claude Chermann, and Marie-Therese Nugeyre. See page 4 of the Amendment.

Filed herewith are Supplemental Declarations duly executed by Willy Rozenbaum, Jean-Claude Chermann, and Marie-Therese Nugeyre. It is noted that the original Declarations of Drs. Rozenbaum, Chermann, and Nugeyre were fully responsive to the Requirement for Statement under § 152 of the Atomic Energy Act, as the changes made to the Declarations were to the addresses of the inventors and not to the substance of the Declarations.

In addition, applicants also stated in the Amendment filed April 26, 1994 that they would file in the near future a Terminal Disclaimer for U.S. Patent No. 5,217,861. See page 8 of the Amendment.

Filed herewith is a Terminal Disclaimer for U.S. Patent No. 5,217,861. This Terminal Disclaimer is filed for the sole purpose of advancing the prosecution of this application.

It is courteously submitted that this application is now in condition for allowance. Reconsideration and reexamination of this application and allowance of the pending claims at the Examiner's convenience are respectfully requested.

The Commissioner is hereby authorized to charge any fees associated with this Amendment to our Deposit Account No. 06-

0916. If a fee is required for an Extension of Time under 37 C.F.R. § 1.136 not accounted for above, such extension is requested and should also be charged to our Deposit Account.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER
